GIS ANALYST CHARLES B. HIMES JOINS SKELLY AND LOY, INC.

HARRISBURG, PA – August 17, 2017- Skelly and Loy welcomes Charles B. Himes to its Technical Services Group.

Mr. Himes is a GIS Analyst responsible for performing GIS analyst and other functions to support all groups of the company and assisting the Environmental Group with field work and reports. In his role, Mr. Himes works in support of all group projects and is currently working on creating Environmental reports for Hershey Crystal Campus and CSVT.

Mr. Himes earned a Bachelor's of Science degree in Environmental Geography with a minor in Public Administration from Kutztown University. Mr. Himes is a member of Trout Unlimited and has earned the Robert and Rosalin Esminger Scholarship Award for Excellence in Geography.

Now in its 48th year, [Skelly and Loy](http://www.skellyloy.com) is an engineering-environmental consulting firm serving public and private sector clients from six Mid-Atlantic offices. Our services include civil, environmental, and mining engineering and permitting activities; National Environmental Policy Act (NEPA) compliance studies; natural resource management and protection; hazardous waste and industrial hygiene studies and remediation planning; and cultural resource studies and documentation.
