SKELLY AND LOY WELCOMES CHRISTOPHER D. MOYER, EIT

Water Resources Engineer Brings Civil and Environmental Expertise to Firm

HARRISBURG, PA - November 3, 2017- Skelly and Loy welcomes [Christopher D. Moyer, EIT](#), to its Engineering Group.

Mr. Moyer is a skilled professional with more than seven years of experience in a variety of civil, environmental, and water resources projects. He is adept at handling all parts of the engineering cycle, including analysis, planning, designing, evaluating, and inspection. He is expert in erosion and sedimentation design, hydrology and hydraulics analysis, and roadway design. Currently, Mr. Moyer is working on P3 permit revisions, West Mifflin Pollutant Reduction Plan, St. Mary's Lake Stream Design, and PA Turnpike 64.5 Stream Restoration.

Mr. Moyer earned a Bachelor of Science degree in Civil Engineering from The Pennsylvania State University and is an Engineer-in-Training in Pennsylvania.

Now in its 48th year, [Skelly and Loy](#) is an engineering-environmental consulting firm serving public and private sector clients from six Mid-Atlantic offices. Our services include civil, environmental, and mining engineering and permitting activities; National Environmental Policy Act (NEPA) compliance studies; natural resource management and protection; hazardous waste and industrial hygiene studies and remediation planning; and cultural resource studies and documentation.
