ETHAN ANDERSON IS NEW ADDITION TO SKELLY AND LOY'S AIR AND NOISE GROUP

HARRISBURG, PA - February 20, 2019 - Ethan Anderson is a new addition to Skelly and Loy's Environmental Services Group, specifically working on air quality and noise services. Mr. Anderson is responsible for collecting and analyzing noise data; noise modeling; conducting field studies; preparing technical and research reports and documents in response to requests for proposals or statements of interest; meeting participation and preparation; and working with the natural resources biologists in studying and managing organism data.

Mr. Anderson earned a Bachelor of Science degree in Geo-environmental Studies from Shippensburg University, and is FHWA TNM certified.

Now in its 50th year, [Skelly and Loy](http://www.skellyloy.com) is an engineering-environmental consulting firm serving public and private sector clients from six Mid-Atlantic offices. Our services include civil, environmental, and mining engineering and permitting activities; National Environmental Policy Act (NEPA) compliance studies; natural resource management and protection; hazardous waste and industrial hygiene studies and remediation planning; and cultural resource studies and documentation.
