## SKELLY AND LOY WELCOMES MICAH BARLETT AS CONSTRUCTION TECHNICIAN

HARRISBURG, PA - November 8, 2019 – Micah Barlett is a Construction Field Technician in Skelly and Loy's AMS Group.

Mr. Barlett is responsible for performing tasks associated with a variety of environmental construction projects along with the operation and maintenance of water/wastewater treatment plants. He assists with setting/checking grades, installing pumps and piping systems, repairing mechanical systems and equipment, clearing vegetation, installing erosion and sediment controls, and planting trees and shrubs. Mr. Barlett also operates and maintains pumps, compressors, or generators; operates small construction equipment such as skid steers, mini-excavators, rollers, generators, cement mixers, drills, chainsaws, and earth tampers.

Celebrating its 50th year, [Skelly and Loy](http://www.skellyloy.com) is an engineering-environmental consulting firm serving public and private sector clients from six Mid-Atlantic offices. Our services include civil, environmental, and mining engineering and permitting activities; National Environmental Policy Act (NEPA) compliance studies; natural resource management and protection; hazardous waste and industrial hygiene studies and remediation planning; and cultural resource studies and documentation.
