BIOLOGIST SARAH J. FOX JOINS SKELLY AND LOY

HARRISBURG, PA - May 23, 2018 - Skelly and Loy welcomes Sarah J. Fox, Biologist, to its Harrisburg Environmental Services Group.

Ms. Fox is completing wetland delineation forms and wetland and bog turtle Phase 1 reports, and preparing general permit applications for projects in waterways, floodways, and wetlands under PA DEPs Chapter 105.

Ms. Fox's past experience includes conducting fatality monitoring on wind energy facilities, mentoring youth in job readiness and personal development by co-leading field-based projects such as trail building, invasive species removal, and habitat restoration, and teaching environmental education.

Ms. Fox earned a Bachelor of Arts degree in Wildlife and Fisheries Science with a Wildlife Option from The Pennsylvania State University. She has certification in 130 Firefighter Training, S - 80 Human Factors in the Wildland Fire Service, S - 190 Introduction to Wildland Fire Behavior, Heart saver CPR and First Aid.

Now in its 49th year, [Skelly and Loy](http://www.skellyloy.com) is an engineering-environmental consulting firm serving public and private sector clients from six Mid-Atlantic offices. Our services include civil, environmental, and mining engineering and permitting activities; National Environmental Policy Act (NEPA) compliance studies; natural resource management and protection; hazardous waste and industrial hygiene studies and remediation planning; and cultural resource studies and documentation.
