AMS OF SKELLY AND LOY HIRES CONSTRUCTION PROJECT MANAGER/ESTIMATOR

Thomas J. Wedeking Brings Stormwater Expertise To Firm's Construction Subsidiary

Harrisburg, PA - February 25, 2016 - Thomas Wedeking recently joined AMS of SKELLY and LOY as an Assistant Construction Project Manager/Estimator. In addition to his project management and bidding/estimating functions, Mr. Wedeking will assist field construction and surveying crews as needed.

Mr. Wedeking has experience in the implementation of green and conventional stormwater infrastructure construction, site specific best management practices (BMPs) for erosion control, sediment removal practices, and stormwater related maintenance efforts. Following more than four years of service in the U.S. Army, he worked on a construction crew at Stormwater Maintenance in Parkton, Maryland.

Mr. Wedeking earned a Bachelor of Science degree in Natural Resources Conservation and Management from the University of Kentucky. He recently completed the OSHA 40-Hour HAZWOPER training and the OSHA Permit Required Confined Space Entry training. He also completed the Maryland SHA Erosion and Sediment Control (Yellow Card) training and the Maryland Department of the Environment Responsible Personnel (Green Card) training.

Now in its 47th year, [SKELLY AND LOY](http://www.skellyloy.com) is an engineering-environmental consulting firm serving public and private sector clients from six Mid-Atlantic offices. The firm's services include civil, environmental, and mining engineering and permitting activities; National Environmental Policy Act (NEPA) compliance studies; natural resource management and protection; hazardous waste and industrial hygiene studies and remediation planning; and cultural resource studies and documentation.
