JASON MCCABE BECOMES SOCIETY OF AMERICAN MILITARY ENGINEERS PITTSBURGH POST PRESIDENT

HARRISBURG, PA – February 7, 2017 – [Jason T. McCabe](#) was installed as [Pittsburgh Post President of the Society of American Military Engineers \(SAME\)](#) during the January 2017 member meeting held at the Engineers Society of Western Pennsylvania in downtown Pittsburgh, Pennsylvania.

As President, Mr. McCabe is responsible for general supervision of the affairs of the Post, including supervision of Post Committees and the appointment of Committee Chairs. Mr. McCabe has been a SAME member since 2005 and took on the role of Young Member Committee Chair in 2008. In 2013, he accepted a position on the Board of Directors and was then nominated to Vice President in 2016. SAME Pittsburgh Post presidency is for a term of one year at which point Mr. McCabe will then occupy the position of Past President where he will ensure a seamless transition of leadership and continuance of post initiatives.

Mr. McCabe is a Project Manager with Skelly and Loy and has more than 10 years of experience in environmental and stormwater permitting, including erosion and sedimentation control planning, evaluation, and oversight. He holds a Bachelor of Science degree in Geology from Juniata College and a Graduate Certificate in Geotechnics from Missouri University of Science & Technology. In addition to being a member of SAME, Mr. McCabe is also a member of the Pennsylvania Association of Environmental Professional (PAEP), Young Professionals in Energy (YPE), and the American Society of Highway Engineers (ASHE.)

Now in its 48th year, [Skelly and Loy](#) is an engineering-environmental consulting firm serving public and private sector clients from six Mid-Atlantic offices. Our services include civil, environmental, and mining engineering and permitting activities; National Environmental Policy Act (NEPA) compliance studies; natural resource management and protection; hazardous waste and industrial hygiene studies and remediation planning; and cultural resource studies and documentation.
